- Cervical cytology screening
- Health promotion and education
- Wound care, dressings, and minor injuries
- Family planning and sexual health services
- Support in clinical audits and quality improvement initiatives
- Infection Control
- Assisting with minor procedures and phlebotomy

Essential Skills & Qualifications:

- Registered Nurse with valid NMC registration
- Experience working in a primary care or community setting.
- Strong clinical skills in chronic disease management, immunisations, and wound care
- Excellent communication and interpersonal skills
- Ability to work independently and as part of a team.
- Commitment to professional development and continuous learning

Desirable Skills:

- Experience in family planning and sexual health
- Knowledge of SystmOne or similar clinical software
- Mentorship or teaching qualification
- Non-medical prescriber

What We Offer:

- A supportive and friendly working environment
- Opportunities for training and professional development
- NHS Pension Scheme
- Competitive salary, dependent on experience
- Flexible working hours (full-time or part-time options available)
- 5 weeks holiday plus Bank Holidays (on a pro rata basis) and rising with length of service
- Contributory pension scheme with matched contributions of up to 20.6%
- Free on-site parking at both sites
- Blue light discount
- Christmas Party
- Summer party/barbecue
- Staff wellbeing programme
- Sick pay

How to Apply:

If you are a passionate and motivated nurse looking for a new challenge in a supportive and welcoming team, we would love to hear from you. Please send your CV and a covering letter to lydia.denyer@nhs.net

Closing Date for Applications: 31 October 2026, although the advert may close earlier if sufficient applications are received.
